

Speech & Language Assessments

Do you have questions regarding your child's speech or language development?

Arin Soloway, Speech Pathologist with the Thunder Bay District Health Unit, provides on-site assessments for children up to 4 years of age.

She can provide you with ideas to promote language development and help you to assess how well your child is doing.

The next assessment date is:

**Thursday,
January 21, 2010**

Hearing Screenings

Are you concerned about your hearing? You can book an on-site hearing screening with Ulla Fisher, an Audiologist with St. Joseph's Care Group.

Appointments can be made at the front desk and are for children, adults and seniors. You will be screened for hearing loss. Visits are by appointment only. The next hearing screenings are:

**Friday,
January 29, 2010**

Book your appointment at the front desk or call 622-8235.
